

# Announcing an Important 2007 Fall Class at Louisiana Tech University

## EDCI 591-083: National Board for Professional Teaching Standards Trends and Issues I

Taught by compressed video and received at the following sites:

The Louisiana Tech University Technology Transfer Center, Shreveport  
Airline High School, Bossier City  
Louisiana Tech University, Ruston  
Lee Jr. High School, Monroe  
Rapides Learning Center, Alexandria  
Concordia Parish School Board Media Center, Vidalia

**Note:** First class meeting is on the LA Tech Campus in Ruston on September 6 in the Waggoner Room of the Thomas Assembly Center at 5:00 PM, dinner provided. The remainder of classes will be at the above remote sites via compressed video. The last night of class is November 8. The class will meet 5:00-8:45 P.M. weekly. Attendance is required at all class meetings.

**Note:** Pre-registration is mandatory and provided at the following sites and times:

<u>Off-Campus Pre-Registration Locations</u>	<u>Day of Registration</u>	<u>Time of Registration</u>
TTC - Shreveport, Homer Elementary, Morehouse Parish School Board Office	Monday, August 27	4:00 PM - 5:30 PM
Phillips Middle School (Webster)	Wednesday, August 22	4:00 PM - 5:30 PM
Airline High, Jonesboro-Hodge Jr. High, Richland Parish School Board Office	Wednesday, August 29	4:00 PM - 5:30 PM
Ruston Jr. High, Farmerville High , Lee Jr. High, Monroe	Tuesday, August 28	4:00 PM - 5:30 PM
Rapides Learning Center, Winnfield Sr. High School, Vidalia	Thursday, August 30	4:00 PM - 5:30 PM
Ouachita Parish Instructional Annex, West Monroe	Thursday, August 30	4:00 PM - 5:30 PM
DeSoto Parish Media Center	Thursday, August 23	4:00 PM - 5:30 PM

There are a limited number of tuition scholarships for those registering at the above pre-registration times. With a scholarship, the cost of the course will be approximately \$130 plus books and supplies. Teachers must bring a \$30 check for graduate registration and a copy of their teaching certificate at the pre-registration time listed above. There will be no registration the first night of class! This class will address items included in finalizing at least 1/3 of the "box" for submission for NBPTS certification.

For More Information, You Are Encouraged to Contact:  
David E. Gullatt, Ph.D at 318-257-4609 or at gullattd@latech.edu

JULY 15, 2007  
ANTICIPATED EXTENSION/PROFESSIONAL DEVELOPMENT CLASSES: 2007 FALL**

The following are 2007 Fall Quarter professional development, off-campus (extension) courses available through the College of Education at Louisiana Tech University. Will you please distribute this information through your principals and supervisors to each school in your district? In addition, will you ask your principals to post this information in their schools and to announce the offerings at their opening school activities for faculty? Please note the university pre-registration dates and locations for your area which are announced on the lower portion of this sheet. A limited number of tuition scholarships exist for teachers pre-registering for courses marked with an asterisk (\*). Thank you for your continued support of our fall. For more information, contact David Gullatt at gullattd@latech.edu or call 257-4609.
